**THANK YOU FOR YOUR KIND
AND GENEROUS SUPPORT**

A WELCOME FROM JOHN TREWBY

A very warm welcome to you all this evening at our first auction. The proceeds will be split equally between Friends of Steep Church and the Rosemary Foundation.

For those who don't know, Friends of Steep Church is a charity set up 10 years ago to raise funds for the maintenance and improvement of the church, not just as a place of worship, important though that is, but as a village icon as well.

Last year we celebrated our 900th anniversary with a number of memorable events and we are now building up to our millennium. In the past, we have raised funds for Wifi in the church, new lighting and essential roof repairs, amongst other projects. We are also supporting a pipeline of future projects, including new heating, to which your generous donations and bidding this evening will contribute.

I would like to place on record our grateful thanks to all those who have generously donated lots for the auction and for those who have worked tirelessly behind the scenes to make the event possible, especially David Erskine Hill, Jonathan Lubran and Phyllida Barnes. Added to which I add my vote of thanks to our generous sponsors and No Fuss Catering. I hope you all have a fun evening.

John Trewby

Chairman, Friends of Steep Church

Hambledon Wine Estate-Defender Safari, Tour, Tasting & Lunch for 4 people, which would normally retail at £600 - over 18s only

With just a maximum of 4 people per Safari, this is an unparalleled opportunity to gain an in-depth knowledge of Hambledon Wine Estate in the company of one of our knowledgeable and friendly guides.

Join us in our branded Land Rover Defender on a Safari around the vineyard. Pick up a tea/coffee on arrival and board The Defender for a drive around the Estate. Your guide will take you through the vine's growing season, explain the work that takes place at key stages of the year and talk about some of the challenges growing grapes in a cool climate brings. You will enjoy a sparkling aperitif overlooking the vines (weather permitting), before heading up to our gravity fed winery where we explain how we make our award-winning sparkling wines, hear how we age our wines in our barrel room, before tasting 3 wines.

A 3-course lunch is then served in our elegant, light filled restaurant with views across the vines, accompanied by a glass of Classic Cuvee.

The Defender Safari Experience is the epitome of wine tourism at its most elevated, affording privileged access to private areas of the Estate. In good weather the tasting may be held on the Croquet Lawn, with the iconic view over the Home Vineyard. Or in the Drawing Room of Mill Down House, a beautiful room with sweeping vineyard vistas.

THE ROSEMARY FOUNDATION

The Rosemary Foundation Hospice at Home is a charity and has been in existence since 1997 serving patients and families within a 15-mile radius of Petersfield; covering an area in excess of 700 square miles, a population of over 120,000, all the way from Emsworth to Bordon and in between. Their nurse led service provides nursing care, emotional support, counselling and practical help for adults over the age of 18 years who are suffering from incurable illness and wish to remain at home as life draws to a close. The Rosemary Foundation nurses provide an 'On Call' service, with a trained nurse available 24 hours a day, seven days a week, 365 days a year.

Over 4500 patients have been cared for to date and whilst the case load is currently high, the care given is patient based, with the patient and family firmly at the centre of all decisions made and care provided. Working alongside the General Practitioner and Community Nursing Team, The Rosemary Foundation, made up of 29 staff members, seeks to provide a seamless service without cost to the patient.

The charity relies predominantly on donations as they receive no government funding. So, every penny that comes into the charity, whether from a community event, corporate sponsorship, applications to Trust & Foundations, in-memory giving or legacies all help to provide this free of charge service.

If you would like to find out further information about The Rosemary Foundation, find out about their events or make a donation, please go to their website: www.rosemary-foundation.org.uk or email them via info@rfpetersfield.org.

FRIENDS OF STEEP CHURCH (FOSC)

FOSC is established to help care for the fabric of All Saints' Church in Steep and its surroundings as an important community asset. Over the last ten years, through membership subscriptions and fund-raising events, it has contributed nearly fifty thousand pounds to fifteen varied projects, including a completely new lighting system, some emergency surgery to our very venerable yew tree, the installation of a broadband service and, most recently, a substantial contribution to the external roof repairs.

FOSC's share of the proceeds from our 2026 Charity Auction will support one of the PCC's next major projects: replacing the Church's ageing oil-fired boiler with a modern far-infrared heating system powered by renewable electricity. This will improve efficiency, support our commitment to good stewardship and help ensure that All Saints' remains a welcoming and useable space for the whole community throughout the year.
